

## He Speaks In Christ

The greatest proof that God is speaking and wants us to hear is that He sent His own Son, the Lord Jesus Christ, into the world. God's final word to the human race and complete message to us all is His Son.

The proof of God's love is that He sent His Son to die for us. He lived a perfect life on earth but he bore the judgement for sin when He willingly died on the cross.

In His death He suffered for sins, 'the JUST for the UNJUST ones, that he might bring us to God'.

(1 Peter 3:18)

He is now risen from the dead and as a result God can now forgive you your sins on a just basis and offer you salvation, peace, eternal life and a place in Heaven.

He died so that you can live.

*For God so loved the world,  
that he gave his only begotten  
Son, that whosoever believeth  
in him should not perish, but  
have everlasting life.*

1 John 3:16

## God is speaking! Are you listening?

Listen to His voice speaking to you in creation, by conscience, through circumstances, in the Bible, through Christians but most of all in the person of His Son, Jesus Christ. He is speaking to you and He appeals to you to respond to His voice that He may bless you eternally.

*If you shall confess with your  
mouth the Lord Jesus, and  
shall believe in your heart that  
God hath raised him from the  
dead, you shall be saved.*

Romans 10:9

Is God  
Speaking  
Today?

## God is Speaking Today! In Creation

You might not be able to hear His voice due to the confusing messages around you ranging from religious cults to aggressive atheism. You may shut your ears and try to live without Him and ignore His existence.

Can we invite you to look up at creation and consider the stars in the night sky? Each star is millions of times bigger than the earth, and there are billions of them!

### God's Power is all around

This awesome universe cannot be explained away as a chance happening; its beauty and design demand a creator.

### God has spoken in Creation.

He is all-powerful and all wise.

### Listen to Him!

*In the beginning God  
created the heaven  
and the earth.*

Genesis 1:1

## He Speaks By Conscience

The human mind experiences guilt. When we do wrong we often feel sorry for what we have done. That is because, unlike animals, we have a conscience.

This God given regulator enables us to know right from wrong, but it can be made insensitive.

Can we invite you to look in and listen to your inner conscience. If we let Him, God will use our conscience to show us our sinfulness and His righteousness.

When God made man and woman He made them different from all other living creatures. He gave them a soul and a spirit, an inbuilt ability to know God. Thus man has a spiritual side to his being that can only be satisfied by knowing the creator - God.

### The most important possession we have is our soul.

*And the LORD God breathed  
into his nostrils...and man  
became a living soul.*

Genesis 2:7

## He Speaks Through Circumstances

Listen to the voice of events around you. Unemployment, marriage break down, depression, ill-health and death are all things God can use to make us stop and consider what life is about.

- Why are we here?
- What do we live for?
- What is after death?

### The Bible answers these questions

The Bible tells us that God created us for a purpose. That purpose is that we might know and love Him.

The Bible also explains the after life, asserting that we are designed for eternity. If in this life we choose His salvation then in the next life we will be with Him in Heaven. But God has also given us a free will. If this life we reject His salvation then in the next life He will accept our choice and be separated from Him, in Hell.

We have a choice. Choose wisely for God does not want you to lose your soul.

*For what shall it profit a man,  
if he shall gain the whole  
world, and lose his own soul?*

Mark 8:36
